

MARKET SALAD BAR CART

COMING TO SULLIVAN SCHOOL

The Market Cart Salad Bar complements lunch by adding a rainbow of colors to your tray. Enjoy a variety of delicious fresh vegetables, fresh and canned fruits, yummy tossed salads, healthy whole grain salads and fun legumes.

The Market Cart Salad Bar can also be used to make up a complete meal by choosing 3 out of the 5 meal components: fruits, vegetables, grains, protein and milk.

The Market Cart Salad Bar replaces the pre-package fruits, vegetables and side salads from the lunch line.

EVERY DAY THE MARKET CART SALAD BAR OFFERS

- A fresh vegetable salad or lettuce salad featuring assorted greens
- Assorted raw vegetable toppings
- A grain salad, such as quinoa tabouli
- A legume salad
- Fresh fruit
- Canned fruit

This year the USDA recommends and encourages kids to fill at least half their school lunch trays with fruits and vegetables.
