

Sullivan STEAM Magnet School

2021-2022

We're so glad you're here!

At Sullivan STEAM Magnet, **every child** has a **place** and a **voice**. Every member of the learning community **creates knowledge** and **applies practices of STEAM** to solve relevant problems with project-based learning in **culturally sustaining ways**. This is possible through the **cultivation of strong relationships** and **collaboration** with students, staff, families, and the greater community.
