

Anne Sullivan School
3100 East 28th Street
Minneapolis, Minnesota 55406

August 21, 2020

Dear Sullivan Families and Students,

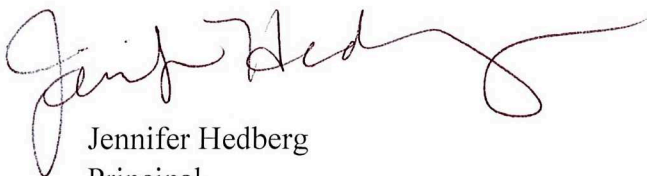

I would like to welcome you to the 2020-2021 school year. I am excited to begin my seventh year as principal of Anne Sullivan School. Sullivan is very fortunate to have Jamie Stricherz and Peter Burnham continuing as our Assistant Principals. I am looking forward to continuing our efforts of building community within the building as well as reaching out to our local community. Our school has built a strong vision and we are committed to the success of all children at Anne Sullivan.

We realize that starting the year with distance learning is a challenge on many levels. We are committed to working with you to make sure all students are successful and to supporting all families with their unique situations. We will continue to provide Anne Sullivan with a lot of energy and care. We believe that all students can learn and all students deserve an education that is based on high expectations and rigor. We look forward to working with families as they help reinforce the expectations of our school and become actively involved in the everyday processes of their child's education.

Each new school year presents a new beginning - a new opportunity. It is our goal to continually grow and make the 2020-21 school year the best one yet. Each year, we raise the bar for ourselves and our students and we look forward to your continued support as we work to accomplish our goals.

- Open house and registration completion will look different this year. Please check our website for the latest information.
- The first day of distance learning for students in grades 1-8 will be Tuesday, September 8th. Students in high-five and kindergarten will begin distance learning on Thursday, September 10th. Please visit our school website at <https://sullivan.mpls.k12.mn.us> for more news and events.

Sincerely,

Jennifer Hedberg
Principal
